WELCOME

Indeed, this is our year of testimonies. And it is worth noting that we are already a quarter down in the year. I was curious why the days have moved on so fast, and I realised the days are moving this fast because it is full of testimony-generating activities.

This magazine edition presents images of the just concluded Prophetic Atmosphere Conference held at Champions Arena, Sydney, Australia. Great and mighty results were procured by the instrumentality of the mantles, vessels and great ministers that came together to draw down the power of God. From the graceful ushering to the electrifying praise and worship climaxed in the prophetic word ministration, it was another moment of transfiguration.

Great men of God with diverse mantles and manifestations evoked depths and dimensions to the manifestation of the Holy Spirit in destroying yokes and lifting off burdens. Indeed, it was like the Acts of the Holy

Spirit. Yokes broken, Burdens lifted, sickness healed, addictions are broken; name it, and the list continues. In all, none that participated left the same way they came. In the end, the devil was terrified as the people of God were edified, and God was indeed glorified.

We invite you to take time, relax and flip through the pages of this magazine carefully. As you capture the pictures, we believe you can also feature in the spirit of the Prophetic Atmosphere Conference and enjoy the blissfulness.

Once again, welcome to the April edition of The Prophetic Voice Magazine. Take some time out, go through and enjoy the features and ponder over the awesomeness of the Lord, and we believe you shall be blessed.

Please send us some of your feedback, as it will be much appreciated.

SYDNEY CONFERENCE RECAP

BY
EUGENIA MAREMBO

As someone who has attended many conferences, in different settings – year after year – I must confess that there are moments when it is tempting to think that ‘you have been to them all’, “seen most of it” or know what to expect. However, the one lesson I continue to learn and the same realisation I find myself returning to is this, with God, nothing is ever the same.

Yes, God is consistent. He is constant and He remains the same, but in each season He introduces a new dimension of Himself to us. So, we can never be complacent and approach God with a lackadaisical attitude. Neither can we be so fixed, stringent and planned in our approach for we can never know what the King of Kings will do, how He will do it or through whom He will do it.

So, when the 2023 Inspiring Greatness Sydney Prophetic Atmosphere Conference came around, I found myself having to revisit lessons learnt from seasons past. Along with other Inspiring Greatness volunteers, we found ourselves gearing up for the move of God! To say the conference was a blessing feels a lot like an understatement. It was that and so much more!!!

The conference ran from the 1st to the 4th of March. The Inspiring Greatness team was hosted by God’s Power Ministries (GPM), a dynamic apostolic church based in Wetherill Park which is located 34 km west of the Sydney CBD. It also happens to be one of our partner ministries and the church that Prophet Richard Owusu Amoaye, the founder of Inspiring Greatness pioneered in 2010.

Over the 4 days of the power packed conference, Prophet Richard, Apostle Bondole of New Covenant Miracle Centre (Melbourne), Apostle Peter Emadi from Light of All Nations (New Zealand) and Prophet Abraham Mapazire from Liberty Arena Church (Melbourne) took us on a life changing journey. They led us through scripture inspired, prophetic prayers which started at 5am in the mornings. We then

had profound leadership training sessions at 10am and to cap off each day, prophetic services that kicked off at 7pm.

We were also blessed to have guest ministers who availed themselves to share their gifts with us. They were from Sydney, interstate and abroad - ministers – Sarah.O.Morgan, Billie Olela, Ps Busola Martins, Maggie Hira Raerae, Tega Aniurin, Brian Tiki, Thinathea Aniurin, Maruva Tiki, Tarisai Vushe, Samantha Zigori, and Dieu Merci James.

To seal off the conference, Inspiring Greatness had a panel discussion that focused on the prophetic, how people can become more aware of God's presence in their day to day lives, and how they can transform their mindset to identify, understand and implement God's word. On the panel were Pastor Patrice Amoaye who is trained in social psychology and the Executive pastor of God's Power Ministries; Dr Isaac Addo, an accomplished academic with a strong background and interest in population health; and Prophet Abraham, the senior pastor of Liberty Arena Church who is known for his in-depth knowledge in strategic prayers. It was a splendid way to bring the conference to a close.

It is difficult to be concise and accurate about the key lessons from each session when seasoned preachers and teachers of the word yield to the spirit's leading. All we can say with confidence from conversations with people is this, there was edification, healing, correction, restoration and direction amongst many other things.

We thank God for the life changing encounters and every person who attended the conference. To all the volunteers who supported us from God's Power Ministries and Light of all Nations campuses, we are eternally grateful for your commitment, dedication and the level of excellence with which you served.

To the men of God who led us we appreciate and honour you, and your commitment to the Kingdom. God bless you all, and may you testify in this season about God's goodness! We give all glory to God and continue to thank Him for transforming us. Life will never be the same!

time with the Lord and blessing people. I love reaching out to people. I love helping people to grow and to maximize their potential.

In our church, for example, on the last Sunday of the month I do the relationship Sundays where we talk about marriage and relationships. That's another side of me. And on top of that, all through my experiences and my journey in life, by the grace of God, I have grown from pain to gain. The Lord has helped me grow. And so, I love helping people transform from where they are to wherever the Lord wants them to get to. I see myself, by the grace of God, blessing lives as the Lord leads me in the years coming. In Jesus name, Amen.

MAGGIE RAE

Being the 5th Of 11 siblings it was not until I became a born again that I knew Gods Grace had destined me for greatness.

Growing up I didn't have the privilege of living with my mother , father & siblings like most families would. Moving from family to family member I questioned myself why am I different than everyone else? I started to compromise life , and was it even worth living. Thank God for my Grandad whom I cherish who took me in & tried His best to nurture me , unfortunately by my teenager years I was rebellious , sneaking out and drugs & alcohol was a doorway out for me to my problems in life. (So I thought)Not knowing who I was or my assignment for Gods Kingdom I indulged in these things thinking it will satisfying me but lead me to developing mental health issues such as depression & suicide etc..

2014 I was sitting at a friends house on the fence smoking a cigarette & She decided to tell me about a “ Destiny “ conference. After laughiing & blaspheming against God how He can't help me , My heart started to change & I came to that conference & God ministered to me & it changed my life! Coming from a background where you have to be tough & not show emotions publicly I began to cry like a baby! I ended up being planted at Light Of

All Nations Ministries & the rest was history! My first assignment was to set the chairs for services the ushering and by Gods Grace Apostle Peter Emadi gave me the opportunity to serve in the Praise & Worship Ministry. At the time I didn't know how to sing so when He said that I questioned if He was sure. From there Gods grace has been gracious to me & has brought me before people and taken me places that I haven't been before. I believe if it was not for this Grace , under Apostle Peter Emadis wing & covering I wouldn't be where I am today. Thank you Prophet Amoaye and Rev Patrice for this opportunity to share my journey.

DIEU MERCI JAMES

Dieu Merci James is a gospel minister and also the Director of a National Health and Support Care company in Australia. He is a husband and a father who has a passion for service in the kingdom of God and to the world at large.

Dieu Merci travels across the nation with IG to serve and minister to God's people in songs and ministration.

Dieu Merci began his love for music at the tender age of 4 through playing drums. His first drum set was his mother's cooking pots. In the Kitchen using these pots he would carry on a concert, his mother being his audience would cheer him on as Dieu merci played the 'drums' to the point that he would make holes in the pots. At the age of 12 he discovered a passion for singing as well. To continually develop his passion for gospel music, Dieu merci continued to serve as a choir member in his home churches while growing up, he also toured with christian bands such as The Sowers Group around Australia bringing authentic and spirit filled gospel music to many.

Dieu Merci draws inspiration from God's grace and favour upon his life and this has been the driving factor in his passion to serve. In the future and when he is aligned with the timing of God, Dieu Merci would like to reach a world audience through a single and album to bless the kingdom.

PAC CONFERENCE 2023

Growing in the Prophetic

To close off the conference, the Inspiring Greatness Team hosted a panel discussion that focused on growing in the prophetic and everyday encounters people may overlook.

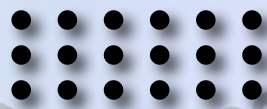

The Panel comprised of Rev. Patrice Amoaye, Prophet Abraham Mapazire, and Doctor Isaac Addo. The discussion was moderated by Inspiring Greatness's own Plaxedes Manyara and Eugenia Marembo.

It was an insightful session and the audience had an opportunity to ask questions via an online platform. The panellists were generous with their time, dove deeper into some pressing questions and elaborated based on their lived experiences of the prophetic and walking with God.

We live in a time where we are most enlightened, educated and have the resources to live satisfied life's yet a lot of us live without hope. Our enlightenment fails in offering real solutions for many of the hopelessness we see in our world. This is because most of the issues that confront us have their source in the spiritual realm. As such, we need to be equipped to deal with the root causes instead of the symptoms. **PROPHETIC ATMOSPHERE** is designed not only to create an atmosphere conducive for possibilities but also empowers us to identify, disrupt and diffuse the enemy's agendas; and enforce God's will in our lives, families and world. Remember there is nothing like impossibility in the Realm of the Prophetic. That is why Prophetic Atmosphere Conferences (including our facebook livestream sessions held on most week days are important
